Dear Parents

BOOKLISTS 2025

As always, we try to ensure the smoothest and most cost-effective way for purchasing booklist requirements.

Online:

Office National Gladstone is Tannum Sands State School online (and in-store) booklist provider. Office National is locally owned and donates money back to the school and community.

Office National Gladstone has already pre-priced your child's 2024 booklist requirements at very competitive rates and offers free home delivery (for orders over \$50) as well as supplying complimentary book labels.

Step 1. Type: **Booklist.officebrands.com.au/aucklandst** in your web browser or click on the Booklist banner on Office National Gladstone's website.

Step 2. Find your school by typing in Tannum Sands State School and click on.

Step 3. Enter child name. Select the child's Year from the drop down box.

Step 4. **Add and subtract items required. Please note the bottom section is optional – you will have to add these items if you wish to purchase them.**

Step 5. Submit your order. You can add other children to the same order.

You will receive an email confirmation. No email means the order did not finalise.

SUBMIT YOUR ORDER EARLY TO AVOID DISAPPOINTMENT. Payment not required at time of order.

Email or In Person: Emailed and handed in orders are preferred prior to 1/1/2025.
